Brexit Q&A

The outcome of the UK referendum on Thursday, 23 June 2016 is that the UK will in time leave the EU. The consequences for businesses and financial markets in the UK, the EU and even globally could be significant. The impact of a “leave” vote will depend on the form that the exit takes. The Q&A addresses some of the questions and uncertainties about a Brexit. You can also download the Q&A by clicking on the image.
