Competition Law in the Digital Age: platforms and digital mergers – Best Friends newsletter

Competition Law in the Digital Age: platforms and digital mergers - Best Friends newsletter

This edition focuses on:

- 1. the adopted fairness & transparency regulation for platforms;**
- 2. recent proposals for regulating platforms; and**
- 3. recent proposals for digital mergers.**

Those recent proposal stem from reports to the European Commission and to the CMA and a Dutch Policy Letter.

The newsletter is our jointly produced quarterly publication that intends to provide insights on modern-day competition law developments in a bite-sized format.
