

Omar Salah in The Islamic Finance and Markets Law Review

Omar Salah's contribution on Islamic finance in the Netherlands has been included as a chapter in *The Islamic Finance and Markets Law Review* (second edition).

Islamic, or *shariah*-compliant, finance is concerned with the conduct of commercial and financial activities in accordance with *shariah*, or Islamic law. The chapters in *The Islamic Finance and Markets Law Review* describe how Islamic finance is practised in various jurisdictions throughout the world.
